FINNISH QUALITY WITH OVER 70 YEARS OF EXPERIENCE

Founded in 1949, Katepal Oy is one of Finland's leading manufacturers of bituminous roofing materials and bitumen products. The most important values of the family company are high-quality products, fast deliveries, and a commitment to environmental sustainability in all production. When you choose Katepal, you receive quality and durability with Finnish reliability. Our roofing shingles products are CE marked to meet EN544 product standards. We use the ISO 9001 quality system throughout our production.
